Subject: Re: Joann Estates Informal Conference

Gentlemen:

Is there any word on this conference? It was my understanding from talking to Todd Teas yesterday that there would not be a face-to-face conference, so neither one of us made plans to be in Frankfort this morning, especially with bad road conditions. However, I don't know if the conference has been postponed, or if the request for a telephone conference has been granted and will therefore be held today at 10 am. (There is no Order addressing this as of this minute.) If so, how do Todd and I participate?

Could someone reply or call me at your earliest convenience to let us know? Thank you.

Subject: Joann Estates Informal Conference

Gentlemen:

I've just found on the PSC website an Order scheduling an Informal Conference in the Joann Estates Rate Case No. 2013-00307 for next Tuesday March 4 at 10 am. After discussing this development with Todd Teas, who operates the utility, we would like to ask the PSC to hold a telephone conference rather than an actual face-to-face conference due to the hardship it causes for the utility. (I will draft a letter for the utility's signature, but wanted to alert you as soon as possible given the time crunch.)

Specifically, Mr. Teas rather than the owner, B.G. Waid, is the person most knowledgeable and best positioned to answer any questions relative to Joann Estates' sludge hauling situation. In addition, Mr. Waid has had health issues in recent months, and is therefore reluctant to travel to Frankfort from Paducah. Furthermore, Todd Teas has a full-time job with the Paducah JSA and the extended round trip with possibly an overnight stay would
