RE: Response to Public Notice-Public Service Commission of Kentucky (Case No. 2013-00369)

Dear Mr. Grieshop,

I would like to thank you for your support of our efforts to improve cellular service in the Harlan County area.

I also want to assure you that all necessary steps have been taken to ensure that the prospective site was cleared for cultural and historical significance before the application to the Public Service Commission of Kentucky was submitted. We hired Dynamic Environmental Associates of Macon, GA to perform an environmental study, known as a NEPA assessment. As part of that assessment they contacted the State Historic Preservation Office (SHPO) and the Harlan County Historical Society. Both have cleared the site.

If you have any further questions or concerns, feel free to contact me.

Sincerely,

A handwritten signature in cursive script that reads "Lynn Haney".
