ORDER

On February 14, 2014, Western Fleming County Water District ("Western Fleming District") tendered its application for a rate adjustment pursuant to 807 KAR 5:076. Western Fleming District sought to increase wholesale water rates by 91.82 percent. After Western Fleming District corrected filing deficiencies, the application was accepted for filing on April 28, 2014. Commission Staff filed a Staff Report on July 28, 2014. In the Staff Report, Commission Staff found that Western Fleming District should increase both its retail rates and wholesale rates. Commission Staff also found that Western Fleming District should adjust the depreciable lives on certain assets.

On August 12, 2014, the Commission received notice from Western Fleming District indicating acceptance of the rate structure found by Commission Staff. Pursuant to the Commission's August 18, 2014 Order, Western Fleming District published a customer notice of the revised rates.

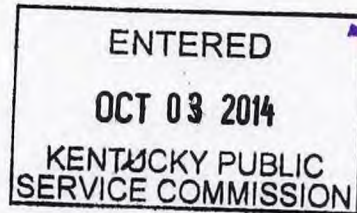

On September 30, 2014, the Commission received notice from Western Fleming District indicating it does not want an informal conference and does not

want a hearing. Western Fleming District further advised that it did not take exception to Commission Staff's adjustment to depreciable lives on certain assets.

Accordingly, IT IS HEREBY ORDERED that:

1. The informal conference previously scheduled for 9 a.m. on September 29, 2014, is cancelled.
2. The hearing previously scheduled for 10 a.m. on October 7, 2014, is cancelled.
3. On October 3, 2014, this matter shall be submitted for a decision upon the record.

By the Commission
