BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

CANNONSBURG WATER DISTRICT'S	)	
UNACCOUNTED-FOR WATER LOSS	)	CASE NO.
REDUCTION PLAN, SURCHARGE AND	)	2014-00267
MONITORING	)	

ORDER

The matter is before the Commission upon a motion filed by Cannonsburg Water District ("Cannonsburg") requesting an extension of time to file its responses to Commission Staff's First Information Request ("Staff's First Request"). Cannonsburg states that it will need until November 5, 2014, to respond to Staff's First Request. In support of its motion, Cannonsburg states that it had not received prior e-mails or paper copies of the information request and cited personal concerns that prevented it from completing its responses in a timely manner.

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that Cannonsburg has established good cause to permit it an extension of time to file its responses until November 5, 2014. The Commission further notes that Cannonsburg did tender documentation from E.L. Robinson Engineering in responses to Questions 4 and 5 of Staff's First Request.

IT IS THEREFORE ORDERED that:

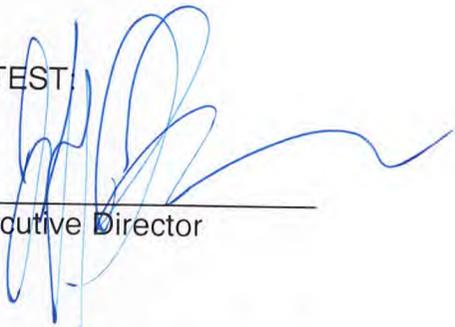

1. Cannonsburg's motion for an extension of time is granted.

2. Cannonsburg shall file its responses to Staff's First Request no later than November 5, 2014.
