COMMISSION STAFF'S SECOND REQUEST FOR INFORMATION
TO CANNONSBURG WATER DISTRICT

Cannonsburg Water District ("Cannonsburg District"), pursuant to 807 KAR 5:001, shall file with the Commission the original and ten copies of the following information, with a copy to all parties of record. The information requested herein is due within 14 days of the date of this request. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Cannonsburg District shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or,

though correct when made, is now incorrect in any material respect. For any request to which Cannonsburg District fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure its legibility. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When filing a paper containing personal information, Cannonsburg District shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Ordering paragraph 5 of the Commission's December 12, 2014 Order requires Cannonsburg District to file a monthly activity report regarding the status of the meter installation and development of a comprehensive unaccounted-for water loss reduction plan. In Cannonsburg District's reply, filed with the Commission on January 6, 2015, it stated that all of the in-line and by-pass meters were installed in November 2014 for the purpose of leak detection. Cannonsburg District indicated that the meters are being read daily and that information is being collected.

a. Provide confirmation that the meters have been installed in accordance with the engineering drawings previously submitted to the Commission.

b. Provide a detailed explanation of the status of the development of a comprehensive unaccounted-for water loss reduction plan.

c. Provide a detailed explanation describing the type of information that is being collected as described in your response to the Commission.

- (1) Provide how this information is being utilized.
- (2) Provide all work papers and supporting documentation.

d. For each of Cannonsburg District's master meter zones, provide a monthly comparison of the master meter readings to the customer meter readings for the months December 2014 and January 2015.

2. In Cannonsburg District's December 2014 Surcharge Report, filed with the Commission on January 15, 2015, it states that there was no activity in the month of December 2014 and that it is getting ready to bid for the next phase within a month or two.

a. Provide an explanation indicating why no activity occurred during the month of December 2014.

b. Identify the type of activity intended.

c. Provide a definition for the term "phase" as used by Cannonsburg District in the December 2014 Surcharge Report.

d. Provide a description of the work that will be completed in the next "phase."

e. Explain if Cannonsburg District intends to submit an application for a Certificate of Public Convenience and Necessity for the construction in the next "phase."
