

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF FARMERS RURAL)	
ELECTRIC COOPERATIVE CORPORATION)	CASE NO.
FOR AN ORDER APPROVING KENTUCKY)	2014-00281
ENERGY RETROFIT PERMANENT TARIFF)	

ORDER

This matter is before the Commission upon a motion filed by Farmers Rural Electric Cooperative Corporation (“Farmers”) requesting an extension of time in which to file its responses to Commission Staff’s First Request for Information (“Staff’s First Request”). Farmers notes that Staff’s First Request was issued on September 3, 2014, and that Farmers had seven days to file its responses, which is on or before September 10, 2014. In order to fully respond to the discovery requests, Farmers asserts that it will need an additional six days beyond the September 10, 2014 due date because of the amount of information needed to respond.

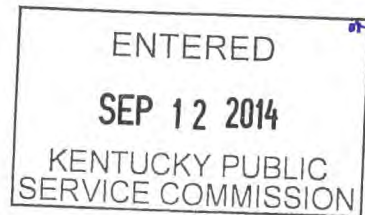

Having reviewed the motion and being otherwise sufficiently advised, the Commission finds that Farmers has established good cause to permit it an extension of time to file its discovery responses.

The Commission further finds that the proposed effective date of October 1, 2014, for the Kentucky Energy Retrofit Rider tariff should be suspended for a period of up to five months, pursuant to KRS 278.190(2), to allow the Commission sufficient time to review the reasonableness of Farmers’ application.

IT IS THEREFORE ORDERED that:

1. Farmers' motion for an extension of time to file its responses to Staff's First Request is granted.
2. Farmers shall file its responses to Staff's First Request on or before September 16, 2014.
3. Farmers' proposed Kentucky Energy Retrofit Rider tariff is suspended for five months from October 1, 2014, up to and including February 28, 2015.

By the Commission
