ORDER

On August 8, 2014, Western Rockcastle Water Association (“Western Rockcastle”) filed an application to revise its meter-connection fee for a 5/8- by 3/4-inch meter for the provision of water service. Western Rockcastle has advised the Commission of its intention to place the proposed revisions in effect on September 1, 2014. Based on the filing date of August 8, 2014, the earliest these rates could become effective is September 7, 2014.

Having reviewed the proposed revisions, we find that further proceedings are necessary to determine their reasonableness, that these proceedings cannot be completed prior to the effective date of the proposed revisions, and that the proposed revisions should be suspended pursuant to KRS 278.190(2).

IT IS THEREFORE ORDERED that:
