

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

TARIFF FILING OF WESTERN ROCKCASTLE)	
WATER ASSOCIATION TO REVISE ITS METER)	CASE NO. 2014-00288
CONNECTION CHARGE)	

ORDER

On August 8, 2014, Western Rockcastle Water Association (“Western Rockcastle Association”) filed an application using the Commission’s Tariff Filing System to revise its meter connection fee for a 5/8- by 3/4-inch meter for the provision of water service. Pursuant to 807 KAR 5:011, Section 8(3), Western Rockcastle Association had 45 days from the date of its application to file with the Commission proof of publication of the customer notice for its revised meter connection fee. Although implementation of Western Rockcastle Association’s proposed revision has been suspended by the Order issued in this case on August 22, 2014, the utility is still required to file the proof with the Commission that Western Rockcastle Association provided notice to its customers. Despite the passage of more than 45 days, the Commission has not received Western Rockcastle Association’s required proof of notice to its customers.

On November 18, 2014, Western Rockcastle Association filed with the Commission written responses to Commission Staff’s First Request for Information. Western Rockcastle Association submitted documents containing customer account numbers and customer phone numbers. Pursuant to 807 KAR 5:001, Section 4(10), customer account numbers and phone numbers are to be redacted prior to submission

to the Commission. Western Rockcastle Association should review all documents and redact confidential information prior to filing the documents with the Commission.

Having reviewed the record, and being otherwise sufficiently advised, the Commission finds that:

1. Within ten days from issuance of this Order, Western Rockcastle Association should file proof of its publication of notice to its customers of the revised meter connection fee.

2. The documents containing customer account numbers and phone numbers should be afforded confidential treatment.

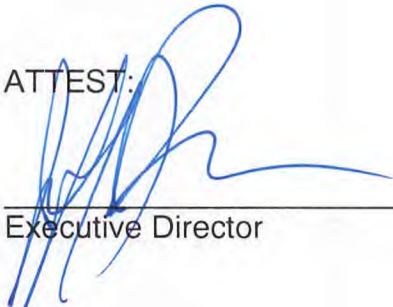

IT IS THEREFORE ORDERED that:

1. Western Rockcastle Association shall file proof of its publication of notice to its customers of the revised connection fee within ten days of issuance of this Order.

2. The documents containing customer account numbers and phone numbers shall be afforded confidential treatment.

3. The Executive Director shall remove the documents containing customer account numbers and phone numbers from the public records and substitute these documents with a copy in which all customer account numbers and phone numbers have been redacted.
