ORDER

Kentucky Power Company ("Kentucky Power") tendered its application in this matter with the Commission on September 18, 2014. In its application, Kentucky Power included a proposed Economic Development Rider ("EDR") tariff setting out a proposed effective date of October 29, 2014. Having reviewed the application and being otherwise sufficiently advised, the Commission finds that an investigation is necessary to determine the reasonableness of Kentucky Power's proposed EDR tariff, and that such investigation cannot be concluded by the proposed effective date. Therefore, pursuant to KRS 278.190(2), the Commission will suspend the effective date of the proposed tariff for up to five months.

IT IS THEREFORE ORDERED that:

1. Kentucky Power's proposed EDR tariff is hereby suspended for five months from October 29, 2014, up to and including March 28, 2015.
2. Nothing shall prevent the Commission from issuing further Orders prior to the end of the suspension period.
