

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

TARIFF FILING OF MORGAN COUNTY WATER	)	CASE NO.
DISTRICT TO REVISE ITS METER CONNECTION	)	2014-00373
CHARGES	)	

ORDER

On September 24, 2014, Morgan County Water District ("Morgan District") filed a new tariff to revise its meter connection fees for a 5/8- by 3/4-inch meter and a 1-inch meter for the provision of water service. Morgan District has advised the Commission of its intention to place the proposed revisions in effect on November 1, 2014.

Having reviewed the proposed revisions, we find that further proceedings are necessary to determine their reasonableness, that these proceedings cannot be completed prior to the proposed effective date of the revisions, and that the proposed revisions should be suspended pursuant to KRS 278.190(2). Further, the Commission finds that the notice of revised fees sent by Morgan District to its customers was deficient due to the omission of the provisions required by 807 KAR 5:011, Sections 8,(4)(g), (h), (i), and (j).

IT IS THEREFORE ORDERED that:

1. This proceeding is established to investigate the reasonableness of the proposed revisions.
2. Morgan District shall provide a new notice to its customers of the proposed revisions in accordance with 807 KAR 5:011, Section 8.

3. Morgan District's proposed revisions are suspended for five months from November 1, 2014, up to and including March 31, 2015.

By the Commission
