RE: Case No. 2014-00026 – Cumberland Cellular Partnership
Filing Deficiencies

The Commission Staff has reviewed Cumberland Cellular Partnership's application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

807 KAR 5:001 Section 14(4):

If the applicant is a limited partnership, a certified copy of its limited partnership agreement and all amendments, if any, shall be annexed to the application, or a written statement attesting that its partnership agreement and all amendments have been filed with the Commission in a prior proceeding and referencing the case number of the prior proceeding.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may re-file your proposed tariff with a new proposed effective date that is a least 30 days from the date you file the required information. You are requested to file 10 copies of this information within 15 days of date of this letter. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

Linda Faulkner
