RE: Case No. 2014-00050 – Parksville Water District
Filing Deficiencies

After further review of Parksville Water District's application in the above case, the Commission Staff has determined that the application does not meet the minimum filing requirements and has been rejected for the reason set forth below.

Filing deficiencies pursuant to:

807 KAR 5:069 Section 2(5):

One copy of each set of plans and specifications on electronic storage medium in portable document format.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may re-file your proposed tariff with a new proposed effective date that is a least 30 days from the date you file the required information. You are requested to file 10 copies of this information within 15 days of date of this letter. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

A handwritten signature in cursive script that reads "Linda Faulkner".
