RE: Todd County Water District
Case No. 2014-00086 - Filing Deficiencies

The Commission Staff has reviewed the responses received March 31, 2014 and April 1, 2014 in the above case. The filing remains deficient for the reason(s) set forth below:

Filing deficiencies pursuant to:

- (1) 807 KAR 5:001: Section 15(2)(b) – Copies of franchise or permits, if any, from the proper public authority for the proposed construction or extension, if not previously filed with the commission. Please submit a copy of the application which was submitted for obtaining a construction permit. Include what drawings and plans were included in this submittal. Provide the expected date the permit will be granted. Include the granting authority involved.
- (2) KRS 322.340 – Engineering plans, specifications, drawings, plats and reports for the proposed construction or extension prepared by a registered engineer, must be signed, sealed, and dated by an engineer registered in Kentucky. Please submit architectural plans and drawings for the proposed construction of the building facilities which are certified, signed, sealed and dated by an architect registered in Kentucky.

The statutory time period in which the Commission must process this case will not commence until the above-mentioned required information is filed with the Commission. You are requested to file this information within 10 days of the date of this letter.

If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

Linda Faulkner
