RE: Atmos Energy Corporation
Case No. 2014-00114
March 31, 2014 Petition for Confidentiality of Information Being Filed with the Kentucky
Public Service Commission

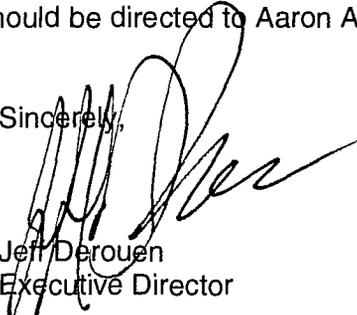

Dear Mr. Hutchinson:

Pursuant to 807 KAR 5:001, Section 13(2), Atmos Energy Corporation ("Atmos"), by petition tendered on March 31, 2014, requested confidential treatment of certain information contained in its Gas Cost Adjustment Application pertaining to a change in Atmos' Correction Factor as well as information relating to Atmos' projected gas prices. This petition failed to state a time period for which the requested material should be treated as confidential as required by 807 KAR 5:001, Section 13(2)(a)(2).

Under 807 KAR 5:001, Section 3(2), documents that fail to comply with 807 KAR Chapter 5 shall be rejected for filing. Since Atmos' petition failed to comply with 807 KAR 5:001, Section 13(2)(a)(2), it is rejected for filing. The requested material will be kept confidential for ten days from the date of this letter pending receipt of a written statement setting forth a time period in which the requested material should be treated as confidential, complying with 807 KAR 5:001, Section 13(2)(a)(2).

Any questions regarding this letter should be directed to Aaron Ann Cole, Staff Attorney, at (502) 782-2591.

Sincerely,

Jeff Derouen
Executive Director
