RE: Case No. 2014-00184 – North Shelby Water Company
Filing Deficiencies

The Commission Staff has reviewed North Shelby Water Company's application in the above case. This filing is rejected for the reasons set forth below.

Filing deficiencies pursuant to:

807 KAR 5:068 Section 5(4)(d):

Does not state the amount of average usage and the effect upon the average bill for each water classification to which the proposed rates will apply

807 KAR 5:068 Section 5(4)(f):

Does not contain statement with the PSC's hours of Monday through Friday 8:00 a.m. to 4:30 p.m. and does not contain the Commission's website at <http://psc.ky.gov>

The statutory time period in which the Commission must process this case will not commence until the above-mentioned information is filed with the Commission. If your filing contains a proposed effective date, the rejection of your filing for reasons of deficiencies voids that proposed effective date. When you file the required information to correct the deficiencies, you may re-file your proposed tariff with a new proposed effective date that is a least 30 days from the date you file the required information. You are requested to file 10 copies of this information within 15 days of date of this letter. If you need further assistance, please contact my staff at 502-564-3940.

Sincerely,

Linda Faulkner
