RE: CASE NO 2014-00267
Surcharge Activity Report

Dear Mr. Derouen:

This is to inform the Commission that we now have 7 master meters that are operational and we are collecting data. We starting collecting data on August 19, 2015. There are 3 master meters that are not in operation at this time. The 3 registers for these master meters are inoperable. C I Thornburg Co, Inc. has ordered replacements for these meters. We do not know the delivery date at this time or when they will be installed.

We will inform the Commission when the other 3 master meters are functioning.

Sincerely,

Danny R. Clarkston
Manager
