RE: CASE NO 2014-00267  
Surcharge Monthly Activity Report

Dear Mr. Derouen:

Please find this as our monthly Sur-Charge activity report.

1. Cannonsburg Water District can now be reading all of the Master Meters. Some we have to manually read and some will be read on our new meter reading program as soon as we are trained. We should begin obtaining all the readings the first of April, 2016. CWD has found and repaired 5 water leaks throughout the District in the month of February 2016.
2. The Bids for the replacement of service lines are still not ready for bid.

Sincerely,

Tim Webb  
Manager
