RE: CASE NO 2014-00267  
Surcharge Monthly Activity Report

Dear Mr. Derouen:

Please find this as our monthly Sur-Charge activity report.

1. Cannonsburg Water District is now reading all of the Master Meters. Some we have to manually read and some are read on our new meter reading program. We have started reading all master meters as of April 1, 2016. We will be able to generate reports that correspond with our billing for our next monthly activity report.
2. CWD has found and repaired 12 water leaks throughout the District in the month of March 2016.
3. The Bids for the replacement of service lines are still not ready for bid.

Sincerely,

Tim Webb  
Manager
