ORDER

On July 24, 2015, Thomas Richard Thacker and Shannon Chapman Thacker (the "Thackers") filed a formal complaint against EQT Gathering, LLC ("EQT Gathering")¹ alleging that they had been notified that EQT Gathering would be abandoning the pipeline that serves their residence and that their natural gas service would be terminated on August 1, 2015. The Thackers' complaint requests that EQT Gathering be required to continue providing them with natural gas service. On August 18, 2015, the Commission ordered EQT Gathering to satisfy or answer the Thackers' complaint, and on August 28, 2016, EQT Gathering filed an answer to the complaint and requested that the case be dismissed. EQT Gathering has responded to two requests for information issued by Commission Staff, and the Thackers have responded to one request for information issued by Commission Staff. There are no intervenors in this case.

¹ EQT Gathering is referred to as "EQT Midstream" in the Commission's Order of August 18, 2015.

At this time, the Commission finds that there is sufficient information in the record to make a decision, and unless either party requires additional opportunity to present comments or requests a formal evidentiary hearing, this matter should stand submitted for a decision.

IT IS THEREFORE ORDERED that:

1. The parties shall have ten days from the date of this Order to present any comments or to request a hearing.
2. If either or both parties submit a request for hearing or comments on the complaint, the opposing party shall have ten days from the date of service of the request or comments to file a written response with the Commission.
3. Any party requesting a hearing in this matter shall, in its request, identify the issues it wishes to raise at the hearing, the witness or witnesses it intends to present, and an explanation of why a hearing on these issues is necessary.
4. If no requests for hearing or comments are received, this matter shall stand submitted on the record.

By the Commission
