On October 15, 2015, Columbia Gas of Kentucky, Inc. ("Columbia") filed with this Commission an application requesting to revise rates for its Accelerated Main Replacement Program ("AMRP") Rider effective December 31, 2015. The Commission finds that its investigation of Columbia's proposed rates is not complete but that Columbia should be allowed to place its proposed rates into effect subject to refund. IT IS HEREBY ORDERED that:

3. Within 20 days of the date of this Order, Columbia shall file with this Commission, using the Commission's electronic Tariff Filing System, revised tariff
