

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

KENTUCKY RURAL WATER ASSOCIATION)
REQUEST FOR APPROVAL OF CONTINUING)
EDUCATION CREDIT FOR COMMISSIONERS) CASE NO. 2015-00403

ORDER

Kentucky Rural Water Association (“KRWA”) has applied for accreditation and approval of its *Water and Wastewater Training-McCreary County* training event held on December 18, 2015, in Whitley City, Kentucky. Four sessions were scheduled to be held on December 18, 2015, at which water district commissioners could earn up to six hours of continuing education credit. These sessions provide useful information to attendees to help them better perform their role as a utility professional and to enhance operations at their facilities.

This Commission is required to “encourage and promote the offering of high quality water district management training programs that enhance a water district commissioner’s understanding of his or her responsibilities and duties.”¹ Having reviewed KRWA’s application, the Commission finds that the presentations at these sessions enhance a water district commissioner’s understanding of his or her responsibilities and duties and should be accredited for six hours of water district management training.

¹ KRS 74.020(7)(c).

IT IS THEREFORE ORDERED that:

1. The presentation at KRWA's *Water and Wastewater Training-McCreary County* training event held on December 18, 2015, in Whitley City, Kentucky, is accredited and approved for a maximum of six credit hours of water district management training.

2. KRWA shall retain a record of all water district commissioners attending the accredited and approved presentations.

3. No later than 30 days after the date of this Order, KRWA shall file with the Commission:

a. A sworn statement attesting that the accredited instruction was performed:

b. A description of any changes in the presenters or the proposed curriculum that occurred after KRWA's application;

c. The name of each attending water district commissioner, his or her water district, and the number of hours that he or she attended;

d. A copy of any written material given to water commissioners attending the presentations;

e. Documents indicating whether the Kentucky Board of Certification of Water Treatment and Distribution System Operators approved the training for continuing education credit; and

f. Documents indicating whether the Kentucky Board of Certification of Wastewater System Operators approved the training for continuing education credit.
