**Subject:** Black Mountain Water Dist.

Dear Mr. Spenard:

I have tried several times to get in touch with Mr. Lisenbee to take over a copy of all the other peoples complaints in regard to wanting water. I have left several messages since he is either in court or out of the office and never returns my calls. I also attended the water meeting again this month and they will still not discuss the water issue with me and always tell me they can't talk to me about it until complaint is resolved. Not sure what I need to do next to address and try to resolve the issue if no one is willing to try.

Sincerely,

Carold Craycraft
