RE: Application of Kentucky Utilities Company for a Certificate of Public Convenience and Necessity Authorizing KU to Bid on a Franchise Established by the City of Harrodsburg

Dear Mr. Derouen:

Enclosed please find an original and 10 copies of an Application for a Certificate of Public Convenience and Necessity ("CCN"), to enable Kentucky Utilities Company (the "Company") to apply for an electric franchise with the City of Harrodsburg (the "City") pursuant to KRS 278.020(4). In a public meeting held on March 23, 2015, the City Council of Harrodsburg, Kentucky passed Ordinance No. 2015-04, which directed the advertising for bids and selling of an electric franchise in the City. The Company asks that the Commission enter an Order granting a Certificate of Public Convenience and Necessity to bid for and acquire a franchise from the City on or before April 20, 2015.

For many years, the Company has been the owner of a franchise granted by the City to erect facilities for providing electric service to the City and the inhabitants thereof. The franchise to be obtained will replace the previous franchise.

If you have any questions, please do not hesitate to contact me.

Very truly yours,

Allyson K. Sturgeon
