Re: Stipulation between EKPC and PSC in Public Service Commission case no. 2015-00263

Gentlemen:

On behalf of the Barkers, I have the following comment and inquiry regarding the parties' October 20, 2015 Stipulation in Public Service Commission case no. 2015-00263:

1. The Barkers, as nonparties to the Stipulation, do not consider themselves bound by any of the agreements contained therein, including what use may be made of the contents of the record in case no. 2015-00263 in any present or future legal proceedings or lawsuits.

2. I noticed the numerical paragraphing in the Stipulation skipped numbers 4 and 5. Was this due to redaction or was it an oversight? Your prompt response to this inquiry is appreciated.

Very truly yours,

M. Alex Rowady
