RE: Case No. 2015-00305  
Appointment to Water Board

Dear Sir:

I am writing today to recommend William "Wid" Harris of Columbia, Kentucky for the position of commissioner on the Columbia/Adair County Water Board.

Mr. Harris served Adair County as a magistrate for 29 years and as such has worked with local and state government agencies and Adair County residents to solve problems in the past. His experience in bringing people together to address important issues would serve the community well as the board works to resolve important matters in our community.

Mr. Harris is community minded and has always enjoyed interacting with members of the community. His support of local school and civic projects is well known in the county.

I believe Mr. Harris would be an effective member of the Columbia/Adair County Water Board.

Mr. Harris' contact information is as follows:

Respectfully,

Janice M. Coffey, D.V.M.
