PUBLIC SERVICE  
COMMISSION

November 21, 2015

To Whom It May Concern:

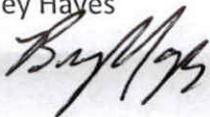

My name is Bradley Hayes. I am a lifelong resident of Columbia, Kentucky. I am a graduate of Adair County High School and attended Lindsey Wilson College for two years. I have worked in construction for over 15 years and currently a superintendent where I am in charge of each employee and management of job production. I oversee things such as site surveying, equipment operation, job production, and meeting job completion deadlines.

I am asking for your consideration to be appointed as a board member of the Adair County Water District. I feel as with my background in construction management that I could benefit the Adair County Water District with helping to make decisions that would benefit not only the water district itself, but also the residents of Adair County.

Thank you for your consideration. I hope to become an asset to the Adair County Water District. If you have any questions or need referrals, please contact me at (270)-634-1722.

Sincerely,

Bradley Hayes
