APPROVAL OF TRANSPORTATION AGREEMENT)	CASE NO.
WITH FSR SERVICES, LLC TO CONSTRUCT)	2016-00065
PIPELINE EXTENSION IN ALBANY, CLINTON)	
COUNTY, KENTUCKY)	

COMMISSION STAFF'S FIRST REQUEST FOR INFORMATION
TO NAVITAS KY NG, LLC

Navitas KY NG, LLC ("Navitas"), pursuant to 807 KAR 5:001, is to file with the Commission the original and eight copies of the following information, with a copy to all parties of record. The information requested herein is due within 14 days of the date of this request. Responses to requests for information shall be appropriately bound, tabbed and indexed. Each response shall include the name of the witness responsible for responding to the questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Navitas shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which

Navitas fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention should be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When filing a paper containing personal information, Navitas shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Provide a complete description of the pipeline route, the length of the planned FSR Services, LLC ("FSR") pipeline extension, and an indication of the point of interconnection with Navitas's existing system.
2. Describe the design and capacity of the planned FSR pipeline.
3. Provide a complete breakdown of all costs Navitas expects to incur in conjunction with the FSR pipeline project.
4. Provide a complete breakdown of all ongoing annual expenses Navitas expects to incur with the operation of the FSR pipeline project.
5. Provide calculations showing an estimate of the annual revenues Navitas expects to collect from FSR for the ten-year term of the Transportation Agreement.
6. Refer to the application, pages 2–3, paragraph 6. Provide the intended effective date of the proposed Transportation Agreement, which is set out as January __, 2016, in the Transportation Agreement provided in Exhibit A.

7. Refer to the application, page 4, paragraph 11. Provide an estimate of the potential impact of the FSR pipeline project on Navitas's customers, which is characterized in this paragraph as "minimal."

8. Refer to the application, Exhibit A, the Transportation Agreement.

a. Refer to page 8, Section 4.2. Provide the maximum monthly capacity of the pipeline to which the FSR pipeline is to be connected.

b. Refer to page 8, Section 4.3. Provide the expected daily and annual load represented by the FSR contract.

c. Refer to page 8, Sections 4.2 and 4.3. Considering the combined potential load of the Keystone Plant and FSR, state whether Navitas's existing pipeline system will be able to deliver the expected full requirements of both customers. If not, state whether Navitas expects to add pipeline capacity or if the customers have alternate fuel capability for their remaining fuel requirements.

d. Refer to page 8, Section 4.4. State whether Navitas will be required to provide any sales gas from its system supply to FSR. If so, state whether FSR will pay Navitas's approved Gas Cost Recovery rate.

e. Refer to page 9, Section 5, Transportation Rate.

(1) The \$4.62 per Mcf Transportation Fee referenced in this section is equal to Navitas's Residential Base Rate on page 1 of its tariff on file with the Commission. State whether FSR's special contract rate will always be equal to the Residential Base Rate, and whether it will increase commensurate with any future increase to the Residential Base Rate approved by the Commission.

(2) State whether FSR will pay any other rate or charge in addition to the per Mcf Tariff rate.

(3) Provide the amount of time Navitas estimates will be required for FSR to be credited the entire amount of the prepayment.

f. Following the Transportation Agreement, there is a page labeled Exhibit A, The Pipeline, and a page labeled Exhibit A-1, Pipeline Map. Provide all pages included in these documents, which are not included with the application.

8. State whether any improvements are required within the existing Navitas system to provide service to the planned pipeline extension and FSR.
