ORDER

On March 28, 2016, Oldham Woods Sanitation, Inc. ("Oldham Woods") applied for an adjustment of its rates for service pursuant to the procedures set forth in 807 KAR 5:076. In its application, Oldham Woods requested a deviation from 807 KAR 5:076, Section 5(4)(e), which states that the customer notice must include a "statement that a person may examine this application at the offices of (utility name) located at (utility address)." The Commission issued an Order granting this request and considered the case filed as of April 11, 2016.

Oldham Woods has proposed that the rates set forth in its application have an effective date of April 30, 2016.¹

Finding that a procedural schedule should be established to ensure the orderly review of Oldham Woods's application, the Commission HEREBY ORDERS that:

1. No later than July 11, 2016, Commission Staff shall file with the Commission and serve upon all parties of record a written report containing its findings and recommendations regarding Oldham Woods's requested rate adjustment.

¹ Pursuant to 807 KAR 5:076, Section 7(1), an applicant who applies for a rate adjustment pursuant to the procedures set forth in 807 KAR 5:076 may not place its proposed rates into effect until the Commission approves those rates, or six months from the date of the filing of its application.

2. No later than July 25, 2016, or 14 days after the date of the filing of the Commission Staff Report, whichever occurs earlier, each party of record shall file with the Commission:

a. Its written comments on and any objections to the findings and recommendations contained in the Commission Staff Report; and

b. Any additional evidence for the Commission to consider.

3. If a party requests a hearing or informal conference, then the party shall make the request in its written comments and state the reason why a hearing or informal conference is necessary.

4. If Commission Staff finds that Oldham Woods's financial condition supports a higher rate than Oldham Woods proposes or the assessment of an additional rate or charge not proposed in Oldham Woods's application, Oldham Woods in its response to the Commission Staff Report shall also state its position in writing on whether the Commission should authorize the assessment of the higher rate or the recommended additional rate or charge.

5. If Commission Staff recommends changes in the manner in which Oldham Woods accounts for the depreciation of Oldham Woods's assets, Oldham Woods in its response to the Commission Staff Report shall also state its position in writing on whether the Commission should require Oldham Woods to implement the proposed change for accounting purposes.

6. A party's failure to file written objections to a finding contained in the Commission Staff Report by July 25, 2016, or 14 days after the date of the filing of the Commission Staff Report, whichever occurs earlier, shall be deemed a waiver of all objections to that finding.

7. A party's failure to request a hearing or informal conference in the party's written response shall be deemed a waiver of all rights to a hearing on the application and a request that the case stand submitted for decision.

8. A party's failure to file a written response by July 25, 2016, or 14 days after the date of the filing of the Commission Staff Report, whichever occurs earlier, shall be deemed waiver of all rights to a hearing on the application.

9. Any motion to intervene shall be filed no later than April 29, 2016.

10. A person who submits a motion to intervene after April 29, 2016, and upon a showing of good cause is granted full intervention, shall accept and abide by the existing procedural schedule.
