

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN EXAMINATION OF THE)	
APPLICATION OF THE FUEL)	
ADJUSTMENT CLAUSE OF CLARK)	CASE NO.
ENERGY COOPERATIVE, INC. FROM)	2017-00009
NOVEMBER 1, 2014 THROUGH)	
OCTOBER 31, 2016)	

ORDER

Pursuant to 807 KAR 5:056, the Commission, on February 6, 2017, established this case to review and evaluate the application of the Fuel Adjustment Clause ("FAC") of Clark Energy Cooperative, Inc. ("Clark") for the two-year period from November 1, 2014, through October 31, 2016.

As part of this review, the Commission ordered Clark to submit certain information and an affidavit attesting to its adherence to 807 KAR 5:056. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested person advised the Commission of his or her intent to attend. Clark responded to one round of discovery. There are no intervenors in this proceeding.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that:

1. During the period under review, Clark has complied in all material respects with the provisions of 807 KAR 5:056.

2. East Kentucky Power Cooperative, Inc. (“East Kentucky”), the wholesale supplier of Clark, has been directed to reduce its base energy rates by \$.00238 per kilowatt-hour (“kWh”) for fuel costs.¹

3. Clark should be directed to reduce its base energy rates by \$.00251 per kWh to reflect, as adjusted for line loss, the reduction by East Kentucky to its base energy rates.

4. The rates and charges in the Appendix to this Order are fair, just, and reasonable, and reflect the reduction of fuel costs included in Clark’s base energy rates.

IT IS THEREFORE ORDERED that:

1. The charges and credits applied by Clark through the FAC for the period from November 1, 2014, through October 31, 2016, are approved.

2. Clark shall deduct \$.00251 per kWh from its base energy rates (as adjusted for line loss) to reflect the reduction of \$.00238 per kWh by East Kentucky to its base energy rates as approved in Case No. 2017-00002.

3. The rates in the Appendix to this Order are approved for service rendered by Clark on and after September 1, 2017, the effective date of East Kentucky’s change in rates.

4. Within 20 days of the date of this Order, Clark shall file, using the Commission’s electronic Tariff Filing System, its revised tariff sheets with the Commission setting out the rates approved herein and reflecting that they were approved pursuant to this Order.

¹ Case No. 2017-00002, *An Examination of the Application of the Fuel Adjustment Clause of East Kentucky Power Cooperative, Inc. from November 1, 2014 through October 31, 2016* (Ky. PSC Aug. 7, 2017).
