FROM NOVEMBER 1, 2014 THROUGH)	
OCTOBER 31, 2016)	

ORDER

Pursuant to 807 KAR 5:056, the Commission, on February 6, 2017, established this case to review and evaluate the application of the Fuel Adjustment Clause ("FAC") of Jackson Purchase Energy Corporation ("Jackson Purchase") for the two-year period from November 1, 2014, through October 31, 2016.

As part of this review, the Commission ordered Jackson Purchase to submit certain information and an affidavit attesting to its adherence to 807 KAR 5:056. The Commission further ordered that a public hearing be held in this case but cancelled it when, after publication of notice, no interested person advised the Commission of his or her intent to attend. Jackson Purchase responded to one round of discovery. There are no intervenors in this proceeding.

The Commission, having considered the evidence of record and being otherwise sufficiently advised, finds that:

1. During the period under review, Jackson Purchase has complied in all material respects with the provisions of 807 KAR 5:056.

2. As Big Rivers Electric Corporation, the wholesale supplier of Jackson Purchase, has been authorized to maintain its base fuel rate at its current level,¹ Jackson Purchase's proposal to maintain its rates at their current level should be approved.

IT IS THEREFORE ORDERED that:

1. The charges and credits applied by Jackson Purchase through the FAC for the period from November 1, 2014, through October 31, 2016, are approved.

2. Jackson Purchase's proposal to maintain its rates at their current level is approved.

By the Commission
