

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF RUSS, INC. FOR)
APPROVAL OF COMMISSIONER TRAINING) CASE NO. 2017-00109
AND CONTINUING EDUCATION CREDIT)

ORDER

Russ, Inc. has applied for accreditation and approval for training to be held on March 28 and 29, 2017, in Greenville, Kentucky. Six training sessions are scheduled to be held on each day at which commissioners can earn up to six hours of continuing education credit per day. These meetings provide useful information to attendees to help them better perform in their roles as utility professionals and to enhance operations at their facilities.

This Commission is required to “encourage and promote the offering of high quality water district management training programs that enhance a water district commissioner’s understanding of his or her responsibilities and duties.”¹ Having reviewed Russ Inc.’s application, the Commission finds that the presentations for each of the training meetings will enhance a water district commissioner’s understanding of his or her responsibilities and duties and should be accredited for six credit hours of water district management and wastewater training per day.

¹ KRS 74.020(7)(c).

IT IS THEREFORE ORDERED that:

1. The presentations at the Russ, Inc. training to be held March 28 and 29, 2017, in Greenville, Kentucky, are accredited and approved for a maximum of six credit hours of water district management and wastewater training per day.

2. Russ, Inc. shall retain a record of all water district commissioners attending the accredited and approved presentations.

3. No later than 30 days after each presentation, Russ, Inc. shall file with the Commission:

a. A sworn statement attesting that the accredited instruction was performed;

b. A description of any changes in the presenters or the proposed curriculum that occurred after Russ, Inc.'s application;

c. The name of each attending water district commissioner, his or her water district, and the number of hours that he or she attended;

d. A copy of any written material given to water commissioners attending each presentation; and

e. Documents indicating whether the Kentucky Board of Certification of Water Treatment and Distribution System Operators and the Kentucky Board of Certification of Wastewater System Operators approved the trainings for continuing education credit.
