ORDER

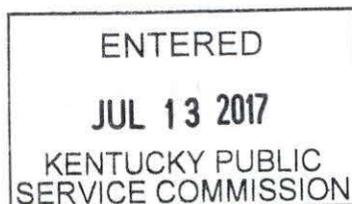

On May 11, 2017, Commission Staff issued an Order containing requests for information (“Staff’s First Request”) to Apache Gas Transmission Company, Inc. (“Apache”) and Burkesville Gas Company, Inc. (“Burkesville”). On May 22, 2017, Apache and Burkesville filed responses to Staff’s First Request. Apache’s responses to Items 8, 9, and 10 of Staff’s First Request failed to provide the requested documentation regarding any financing application with the Lake Cumberland Area Development District (“ADD”) or estimated terms of any loan from First and Farmers Bank. Apache’s responses state that a final decision regarding its financing application with ADD would be made at the ADD’s June board meeting; that it was discussing possible terms with First and Farmers

Bank; and that it would supplement this information. However, to date, no supplemental information has been filed.

The Commission finds that Apache and Burkesville should, within ten days of the date of this Order, file supplemental information in response to Staff's First Request, Items 8, 9, and 10.

IT IS HEREBY ORDERED that Apache and Burkesville shall, within ten days of the date of this Order, file supplemental information in response to Staff's First Request, Items 8, 9, and 10.
