

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN EXAMINATION OF THE APPLICATION OF)	
THE FUEL ADJUSTMENT CLAUSE OF EAST)	CASE NO.
KENTUCKY POWER COOPERATIVE, INC.)	2017-00283
FROM NOVEMBER 1, 2016 THROUGH APRIL)	
30, 2017)	

ORDER

On September 1, 2017, East Kentucky Power Cooperative, Inc. ("East Kentucky") moved the Commission for an additional seven days in which to file responses to the requests for information contained in the August 30, 2017 Order initiating this case. As grounds for its request East Kentucky states that, due to the Labor Day Holiday weekend and EKPC's board meeting concluding on September 11, 2017, the personnel responsible for responding to the requests for information may not have the time to compile the information required for the requests.

The Commission finds that East Kentucky's request for an extension should be denied. The Commission, however, will extend the deadline for filing from September 13, 2017, to September 15, 2017. The Commission bases its decision, in part, on the fact that the information requested in the August 30, 2017 Order is the same or similar information requested in every Order initiating a fuel adjustment clause review, and EKPC should be familiar with the information requested. Moreover, granting the full extension will place an undue burden on Commission Staff to review the information and

determine if additional requests for information are required prior to the October 16, 2017 hearing scheduled in this matter.

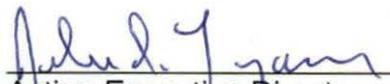

Based upon the foregoing, IT IS THEREFORE ORDERED that:

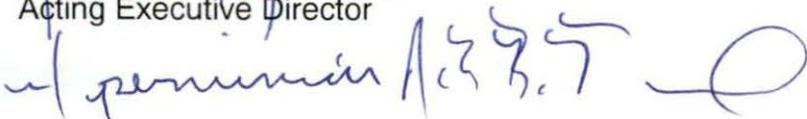

1. East Kentucky's Motion for an Extension of Time is denied.
2. East Kentucky shall have until September 15, 2017, to respond to the Commission's August 30, 2017 Order.

By the Commission
