ORDER

On November 29, 2017, Roger Parry filed a complaint against Kentucky-American Water Company (Kentucky-American). On November 30, 2017, the Commission by letter acknowledged the receipt of the complaint. The Commission subsequently entered an Order dated March 14, 2018, requiring Kentucky-American to file a response to the complaint. On March 23, 2018, Kentucky-American filed an answer and a motion to dismiss. On June 8, 2018, staff issued a first request for information requesting that Mr. Parry provide them with further information. On July 9, 2018, Mr. Parry filed a request with the Commission requesting that the case be dismissed.

Having reviewed the evidence of record and being otherwise sufficiently advised, the Commission finds that Mr. Parry has not responded to the staff's first request for information, and he filed a letter in this case requesting that the case be dismissed.

IT IS THEREFORE ORDERED that: this case is dismissed without prejudice and is removed from the Commission's docket.

By the Commission
