PUBLIC SERVICE
COMMISSION

In the Matter of:

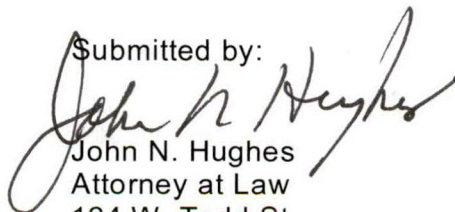

ALLEGED FAILURE OF MARSHALL COUNTY) CASE NO.
ENVIRONMENTAL SERVICES, LLC TO FILE) 2017-00032
REQUIRED REPORTS

MOTION

Marshall County Environmental Services, LLC ("MCES"), by counsel, moves for a continuance of the hearing scheduled for March 28, 2017. The representative of MCES, who is responsible for filing the annual reports and who would appear before the Commission to respond to the Order of February 7, 2017 has a medical condition that may require surgery. She has a doctor's appointment on Monday March 27 for the purpose of scheduling a heart catheter procedure, which may determine if additional surgery is necessary. Because of her health condition and the uncertainty of the need for additional medical treatment, a rescheduling of the hearing is required.

For these reasons, MCES requests that the hearing be rescheduled to a date to be determined based on the need for and possible recovery from surgery of the MCES corporate representative.
