RE: Case 2017-00277

It has been brought to my attention by the Commission that the Water Adjustment Factor in the above referenced case could be rounded up to .09. In order to absorb the full increase we would like to request that change to our application.

Enclosed I am sending a revised proposed Tariff reflecting this change.

If you have any questions feel free to contact me at 859-498-0062.

Sincerely,

Rachel Cartmill
District Manager
