COMMISSION STAFF'S FIRST REQUEST
FOR INFORMATION TO MOUNTAIN WATER DISTRICT

Mountain Water District (Mountain District), pursuant to 807 KAR 5:001, is to file with the Commission an original and seven copies of the following information, with a copy to all parties of record. The information requested is due within 14 days of the date of this request. Responses to requests for information shall be appropriately bound, tabbed, and indexed. Each response shall include the name of the individual responsible for responding to questions related to the information provided.

Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Mountain District shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Mountain

District fails or refuses to furnish all or part of the requested information, it shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When filing a paper containing personal information, Mountain District shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. State the reasons why Mountain District filed to revise its connection fee installment payment plan.

2. Provide the agreement, if any, that customers sign when applying to pay their water or sewer connection fees under the current connection fee installment payment plan.

3. Provide the agreement, if any, that customers will be required to sign when applying to pay their water or sewer connection fees under the proposed connection fee installment payment plan.

4. For the last three calendar years and for the current year to date:

a. Provide the number of water customers who have signed up to pay their water connection fees under the installment payment plan.

b. Provide the number of sewer customers who have signed up to pay their sewer connection fees under the installment payment plan.

c. Provide the number of months, on average, that it took for water customers on the installment payment plan to pay their water connection fees in full.

d. Provide the number of months, on average, that it took for sewer customers on the installment payment plan to pay their sewer connection fees in full.

e. Provide the number of customers who have defaulted on their connection fee installment payment plans.

f. Provide the number of times ownership of property under a connection fee installment payment plan changed hands while the installment payment plan was still active.

5. Explain what happens when a customer defaults on the current connection fee installment payment plan.

6. Explain what happens when ownership of a property under the current connection fee installment payment plan changes hands while the payment plan is still active.

7. Explain what will happen if a customer defaults on the proposed connection fee installment payment plan.

8. Explain what will happen when ownership of a property under the proposed connection fee installment payment plan changes hands while the payment plan is still active.
