PSC July 22, 2021), Order (in which the Commission ordered that for case filings made on and after March 16, 2020, filers are NOT required to file the original physical copies of the filings required by 807 KAR 5:001, Section 8).

person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Duke Kentucky shall make timely amendment to any prior response if Duke Kentucky obtains information that indicates the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which fails or refuses to furnish all or part of the requested information, Duke Kentucky shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Duke Kentucky shall, in accordance with 807 KAR 5:001, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to Mr. Oka's bill issued on February 24, 2022, for the service period January 24, 2022, to February 22, 2022 (February 24 bill), filed with the Commission on February 25, 2022.

-2-

a. Provide the manual calculation for Mr. Oka's February 24 bill. Provide all supporting calculations and documentation in Excel spreadsheet format with all formulas, columns, and rows unprotected and fully accessible.

b. Explain why the February 24 bill includes five net metering adjustment amounts and what those five adjustments account for, and to the extent that it is not included in the responses to a. above, provide supporting calculations and documentation for those adjustments in Excel spreadsheet format with all formulas, columns, and rows unprotected and fully accessible.
