KENTUCKY UTILITIES COMPANY)

DEFENDANT)	

ORDER

On December 7, 2022, Victor Mollett filed a complaint alleging that Kentucky Utilities Company (KU) failed to provide sufficient notice that it had changed its peak times under the Residential Time-of-Day rate system, resulting in an unexpectedly high bill. By Order issued February 7, 2022, the Commission determined that pursuant to 807 KAR 5:001, Section 20(4)(a), Mr. Mollett had not established a *prima facie* case, but was entitled to an opportunity to amend his complaint within 20 days of issuance of the Order. Mr. Mollett sent two response emails to the Commission on February 8, 2022, and February 15, 2022. No additional pleadings were filed within the 20-day period.

Having reviewed Mr. Mollett's emails, the Commission finds that the emails do not constitute an amendment of any allegations made in his initial complaint sufficient to state a *prima facie* case. Therefore, his complaint is dismissed.

IT IS THEREFORE ORDERED that:

1. The complaint is dismissed.

2. The case is closed and shall be removed from the docket.
