COMMISSION STAFF'S SECOND REQUEST FOR INFORMATION
TO DUKE ENERGY KENTUCKY, INC.

Duke Energy Kentucky, Inc. (Duke Kentucky), pursuant to 807 KAR 5:001E, is to file with the Commission an electronic version of the following information. The information requested is due on January 31, 2023. The Commission directs Duke Kentucky to the Commission's July 22, 2021 Order in Case No. 2020-00085¹ regarding filings with the Commission. Electronic documents shall be in portable document format (PDF), shall be searchable, and shall be appropriately bookmarked.

Each response shall include the question to which the response is made, and shall include the name of the witness responsible for responding to the questions related to the information provided. Each response shall be answered under oath or, for

¹ Case No. 2020-00085, *Electronic Emergency Docket Related to the Novel Coronavirus COVID-19* (Ky. PSC July 22, 2021), Order (in which the Commission mandated electronic filing, with exception to *pro se* formal complaints filed against utilities). *Pro se* parties in formal complaint cases may submit responses by U.S. Mail at P.O. Box 615, Frankfort, Kentucky 40602-0615, or by electronic email sent to PSCED@ky.gov. Responses filed using electronic email should include the case number in the subject line of the message and a read receipt to ensure the Commission received the message and documents.

representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or the person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry.

Duke Kentucky shall make timely amendment to any prior response if Duke Kentucky obtains information that indicates the response was incorrect when made or, though correct when made, is now incorrect in any material respect. For any request to which Duke Kentucky fails or refuses to furnish all or part of the requested information, Duke Kentucky shall provide a written explanation of the specific grounds for its failure to completely and precisely respond.

Careful attention shall be given to copied and scanned material to ensure that it is legible. When the requested information has been previously provided in this proceeding in the requested format, reference may be made to the specific location of that information in responding to this request. When applicable, the requested information shall be separately provided for total company operations and jurisdictional operations. When filing a paper containing personal information, Duke Kentucky shall, in accordance with 807 KAR 5:001E, Section 4(10), encrypt or redact the paper so that personal information cannot be read.

1. Refer to Duke Kentucky's Answer, Exhibit 1, Meter Testing Information, unnumbered page 2 of 2, in which an undated memorandum indicates that Mr. Horton requested an accuracy test on his meter and that Duke Kentucky conducted the accuracy test on June 29, 2022. Also refer to Duke Kentucky's response to Commission Staff's

First Request for Information (Staff's First Request), Item 1(b), in which Duke Kentucky states that "Mr. Horton did not request the meter to be tested[,]" and Staff's First Request, Item 1(c), in which Duke Kentucky states that Mr. Horton's meter "was sent on June 20, 2022 to be recycled at a third-party facility."

a. Reconcile the discrepancy between Duke Kentucky's Answer and Duke Kentucky's response to Staff's First Request regarding whether Mr. Horton requested that his meter be tested.

b. If Mr. Horton did request his meter to be tested, provide the date such request was made and the manner in which the request was made. If Mr. Horton's request was made in writing, provide a copy of Mr. Horton's written request.

c. Reconcile the discrepancy between Duke Kentucky's Answer and Duke Kentucky's response to Staff's First Request regarding when the meter was tested and when the meter was sent to be recycled and provide the actual dates of the meter test and when the meter was sent to be recycled.

2. Refer to Duke Kentucky's Answer, Exhibit 1, Meter Testing Information, unnumbered page 1 of 2. Provide a legible copy of the meter test report.
