INITIATING ORDER FOR ALLEGED 811 VIOLATION OF THE KENTUCKY
UNDERGROUND FACILITY DAMAGE PREVENTION ACT

(Se proporciona la traducción al español de este documento como anexo/apéndice C.)

Alexander and Son General Contracting, LLC (Alexander and Son General Contracting) has been named as a party to an investigation before the Kentucky Public Service Commission (Commission) for allegedly violating the Kentucky Underground Facility Damage Prevention Act (Act).¹ A hearing in this case shall take place on July 28, 2023.

Pursuant to KRS 278.495(2), the Commission has jurisdiction to regulate the safety of natural gas facilities in Kentucky and to enforce minimum federal pipeline safety standards. Under the Act, the Commission has authority to investigate and assess civil penalties for any violation of the Act that results in excavation damage to an underground facility used to transport natural gas or hazardous liquid subject to federal pipeline safety laws, 49 U.S.C. § 60101, *et seq.* Any person who violates any provision of the Act is

¹ KRS 367.4901 through KRS 367.4917.

subject to assessment of a civil penalty in the amount of \$250 for the first offense, no more than \$1,000 for the second offense within one year, and no more than \$3,000 for the third and any subsequent offense. Additionally, any person whose violation of the Act results in damage to an underground facility containing any flammable, toxic, corrosive, or hazardous material or results in the release of any flammable, toxic, corrosive, or hazardous material is subject to an additional penalty of up to \$1,000.

Following receipt of a report of excavation damage to its underground gas pipeline from an operator, Commission Staff conducted an investigation and prepared an Incident Report, a copy of which is attached to this Order as Appendix A. In its Incident Report, Commission Staff cites Alexander and Son General Contracting for violation of the following provision of the Act:

KRS 367.4911(1)(a) – Each excavator, or person responsible for an excavation, planning excavation or demolition work shall, not less than two (2) full working days nor more than ten (10) full working days prior to commencing work, notify each affected operator of the excavator's intended work and work schedule. Contacting the applicable protection notification centers shall satisfy this requirement.

Based on its review of the Incident Report and being otherwise sufficiently advised, the Commission finds prima facie evidence that Alexander and Son General Contracting violated the Underground Facility Damage Prevention Act. The Commission further finds that a formal investigation into the excavation damage incident shall be conducted.

IT IS THEREFORE ORDERED that:

1. Alexander and Son General Contracting shall submit to the Commission, via email sent to PSCED@ky.gov with the case number of this proceeding in the subject line of the message, a written response to the allegations contained in the Commission Staff Incident Report within 20 days of receipt of this Order.

2. Alexander and Son General Contracting shall appear on July 28, 2023, at 9 a.m. Eastern Daylight Time, in the Richard Raff Hearing Room of the Commission's offices at 211 Sower Boulevard in Frankfort, Kentucky, for the purpose of presenting evidence concerning the alleged violation of the Underground Facility Damage Prevention Act.

3. The July 28, 2023 hearing shall be conducted via video conferencing.

4. Alexander and Son General Contracting shall attend the hearing by using the following link: <https://meet.goto.com/pscformalhearing/psc-damage-prevention-hearing>; information and instructions are attached to this Order as Appendix B.

5. Alexander and Son General Contracting shall notify the Commission at least ten days prior to the hearing if Alexander and Son General Contracting is unable to appear by video conferencing and will therefore appear in person.

6. Any partnership, corporation, or business entity (including a limited liability company) must be represented by an attorney licensed to practice law in Kentucky, and such representation includes the filing of papers with and appearances at hearings before the Commission.

7. An individual may submit a response to the allegations contained in the Commission Staff Incident Report without the representation of an attorney.

8. The Commission Staff Incident Report 53981, attached to this Order as Appendix A, is made a part of the record in this case.

9. The July 28, 2023 hearing shall be recorded by video only.

10. Please note parties who fail to appear after service will be subject to entry of a default judgment against them.

ORDEN DE INICIACIÓN POR LA PRESUNTA INFRACCIÓN DE TIPO 811 DE LA LEY
DE PREVENCIÓN DE DAÑOS EN INSTALACIONES SUBTERRÁNEAS DE
KENTUCKY

Alexander and Son General Contracting, LLC (Alexander and Son General Contracting) ha sido implicado como parte de una investigación ante la Comisión de Servicios Públicos de Kentucky (Comisión) por la presunta infracción de la Ley de Prevención de Daños a Instalaciones Subterráneas de Kentucky (la Ley).¹ Una audiencia sobre este caso tendrá lugar el July 28, 2023.

Conforme a la norma KRS 278.495(2), la Comisión tiene jurisdicción para regular la seguridad de las instalaciones de gas natural en Kentucky y para hacer cumplir las normas federales mínimas de seguridad de las tuberías. En virtud de la Ley, la Comisión tiene autoridad para investigar y evaluar las sanciones civiles por cualquier infracción de la Ley que resulte en daños de excavación a una instalación subterránea utilizada para transportar gas natural o líquidos peligrosos sujetos a las leyes federales de seguridad

¹ KRS 367.4901 a KRS 367.4917.

de tuberías, 49 U.S.C. §. 60101 *et seq.* Toda persona que infrinja cualquier disposición de la Ley está sujeta a la imposición de una sanción civil por un importe de 250 dólares por la primera infracción, no más de 1.000 dólares por la segunda infracción en el plazo de un año, y no más de 3.000 dólares por la tercera infracción y las siguientes. Además, cualquier persona cuya infracción de la ley provoque daños en una instalación subterránea que contenga cualquier material inflamable, tóxico, corrosivo o peligroso, o que provoque la liberación de cualquier material inflamable, tóxico, corrosivo o peligroso, está sujeta a una sanción adicional de hasta 1.000 dólares.

Tras recibir un informe de daños por excavación en su gasoducto subterráneo por parte de un operador, el personal de la Comisión (el Personal) llevó a cabo una investigación y preparó un Informe de Incidentes, cuya copia se adjunta a esta Orden como Apéndice A. En su Informe de Incidentes, el Personal cita a Alexander and Son General Contracting por la infracción de la siguiente disposición de la Ley:

KRS 367.4911(1)(a) Cada excavador, o persona responsable de una excavación, que planifique un trabajo de excavación o demolición deberá notificar a cada operador afectado sobre el trabajo previsto del excavador y el cronograma de trabajo no menos de dos (2) días hábiles completos ni más de diez (10) días hábiles completos antes de comenzar el trabajo. Hacer contacto con los centros de notificación de protección aplicables satisfará este requisito.

Basándose en su revisión del Informe de Incidentes y estando suficientemente informada, la Comisión encuentra pruebas prima facie de que Alexander and Son General Contracting violó la Ley de Prevención de Daños a Instalaciones Subterráneas. La Comisión considera, además, que debe llevarse a cabo una investigación formal sobre el incidente de los daños causados por la excavación.

POR LO TANTO SE ORDENA que:

1. Alexander and Son General Contracting deberá presentar a la Comisión una respuesta por escrito a las alegaciones contenidas en el Informe de Incidencia del Personal en un plazo de 20 días a partir de la recepción de esta Orden a través de un correo electrónico enviado a PSCED@ky.gov con el número de caso de este procedimiento en el asunto del mensaje

2. Alexander and Son General Contracting comparecerá el July 28, 2023, a las 9 a.m. Eastern Daylight Time, en la sala de audiencias Richard Raff de las oficinas de la Comisión en 211 Sower Boulevard en Frankfort, Kentucky, con el fin de presentar pruebas relativas a la supuesta violación de la Ley de Prevención de Daños a Instalaciones Subterráneas.

3. La audiencia July 28, 2023 se llevará a cabo por videoconferencia.

4. Alexander and Son General Contracting deberá asistir a la audiencia utilizando el siguiente enlace: <https://meet.goto.com/pscformalhearing/psc-damage-prevention-hearing>; la información y las instrucciones se adjuntan a esta Orden como Apéndice B.

5. Alexander and Son General Contracting notificará a la Comisión, al menos diez días antes de la audiencia, si Alexander and Son General Contracting no puede comparecer por videoconferencia y, por lo tanto, comparecerá en persona.

6. Cualquier sociedad, corporación o entidad comercial (incluyendo una sociedad de responsabilidad limitada) debe ser representada por un abogado con licencia para ejercer la abogacía en Kentucky y dicha representación incluye la presentación de documentos y las comparecencias en las audiencias ante la Comisión.

7. Un individuo puede presentar una respuesta a las alegaciones contenidas en el Informe de Incidentes del Personal sin la representación de un abogado.

8. El Informe de Incidentes del Personal 53981, que se adjunta a esta Orden como Apéndice A, forma parte del expediente de este caso.

9. La audiencia July 28, 2023 se grabará únicamente por vídeo.
