to deal with each new office or person I contacted for help I was crucified & they (Kendra) would say "you showed so + so bills" Show them to me, I did [numerous times] I had to pay \$25-\$60 for back records from bank, credit cards etc. I've paid massive inflated bills, missed Dr appointments & essential meds Wherefore, complainant asks

(Specifically state the relief desired.)

I was discriminated against when calling in with info or begging for relief & being else shut off every month but I could only speak to Kendra or Doug who most times wasn't there. I conceded to allow a program for needy pay a bill I did not owe but it never stopped there, in fact I was hospitalized with blood pressure 198/189, could not buy meds, missed Dr appointments UK can verify.
