Mr. Roger D. Hickman
Regulatory Affairs Manager
Big Rivers Electric Corporation
201 Third Street
Post Office Box 24
Henderson, Kentucky 42419-0024

Dear Mr. Hickman:

Pursuant to the Commission's Order of March 29, 2004, in Administrative Case No. 387 ("Admin 387"),¹ each jurisdictional electric generating utility is required to file annual resource information with the Commission. Since 2013, pursuant to a May 31, 2013 letter request from Commission Staff, Big Rivers Electric Corp. ("Big Rivers") has provided a discussion of the consideration given to price elasticity in the forecasted demand, energy and reserve margin information provided with the annual Admin 387 resource assessments as a supplement to the information required by the Admin 387 Order.

There has been little if any change in the information provided each year and the information provided annually is addressed in detail in the integrated resource plans submitted by Big Rivers. Therefore, Big Rivers will no longer be required to submit the price elasticity information as part of its Admin 387 annual filing.

Should you have any questions regarding this request feel free to contact Aaron Greenwell at 502-782-2563.

Sincerely,

Talina R. Mathews,
Executive Director
