COMMISSION

Re: In the Matter of: An Application of South Kentucky Rural Electric Cooperative Corporation for a Certificate of Public Convenience and Necessity to Construct a New Headquarters Facility and For Approval to Transfer Ownership of Certain Assets or, in the Alternative, a Determination That Such Approval is Unnecessary  
**PSC Case No. 2014-00355**

Dear Mr. Derouen:

Pursuant to the Order entered by the Commission in the above-referenced matter on March 27, 2015 (the "Final Order"), please find enclosed a letter from the Department of Planning and Zoning of the city of Somerset, Kentucky (the "Department") reflecting its approval of certain portions of South Kentucky Rural Electric Cooperative Corporation's ("SKRECC") New Headquarters Project. Specifically, the letter pertains to three (3) smaller buildings located on the Project Site (known as Buildings C, D, and E) and states that no deficiencies were found.

SKRECC will continue to provide relevant permitting and approval documentation as it is received from the proper authorities, as required by the Final Order.

Please return to me a file-stamped copy of this correspondence utilizing the enclosed self-addressed, postage-prepaid envelope, and please do not hesitate to contact me if you have any questions or concerns.

Kind regards,

M. Evan Buckley
