RE: Big Rivers Electric Corporation  
Case No. 2015-00333, Ordering Paragraph 6

Dear Mr. Greenwell

The Commission, in Ordering Paragraph 6 of its Order dated January 5, 2016, in Case Number 2015-00333, directed Big Rivers to annually file an updated report reflecting all incremental compliance costs related to the U.S. Environmental Protection Agency's Coal Combustion Residuals ("CCR") Final Rule. This CCR-related report is to be filed with Big Rivers' annual report beginning in 2016. In its email dated March 11, 2016, Commission Staff granted Big Rivers' request for an extension of time to file that annual report to April 29, 2016 and, consequently, this report on CCR-related compliance costs.

Accordingly, please find attached, Big Rivers' annual update reporting all incremental compliance costs related to the CCR Final Rule for the year ended December 31, 2015.

Sincerely,

A handwritten signature in blue ink that reads "Donna M. Windhaus".

Donna M. Windhaus  
Director Accounting/Finance  
Big Rivers Electric Corporation
