Re: Case No. 2016-00150

Dear Mr. Greenwell:

Kentucky Rural Water Association scheduled three regional meetings during the month of April, 2016. On behalf of Kentucky Rural Water Association (KRWA), I hereby attest that these programs, herein referenced as Case No. 2016-00150, were held on the scheduled dates, but with the following change in locations:

Due to the relocation process of Reno's Roadhouse, the Northeast Regional Meeting was moved to the Rowan Co. Water Office in Morehead, Kentucky.

With the unexpected closing of Ryan's Steakhouse in Owensboro, this session was held at the Ohio Co. Community Center in Hartford, Kentucky.

There were no changes in the speakers or the topics that were originally submitted and approved for two (2) credit hours of continuing education credit per session. KRWA was not provided handouts by speakers to distribute to attendees.

As required, KRWA has included a list of commissioners who attended the approved sessions and earned continuing education credit. Also included are the notifications from the Kentucky Board of Certification of Water Treatment and Distribution System Operators indicating their approval and assigned codes.

Kentucky Rural Water Association would like to thank the Kentucky Public Service Commission and staff for their leadership and support in approving the training offered during our Regional Meetings.

Sincerely,

Janet Cole  
Education Coordinator
