01/10/11 POST CASE: Magoffin Co Water District's Response to 113010 Order

12/01/10 Order Entered: 1. Magoffin District shall exercise its best efforts to secure the consent and release from Salyersville to purchase water from Paintsville and Morgan District and for any other water suppliers from whom it obtains an agreement to purchase a supply of water. 2. Magoffin District shall develop an objective standard for the purchase and use of water from alternate sources. Once the standard is met and the need for additional water is triggered, Magoffin District shall purchase and use the water that is needed. 3. Magoffin District shall ensure that the total water purchased from Salyersville and any other available source is sufficient in quality and quantity to provide its customers adequate service as defined by KRS 278.010(14). 4. The members of Magoffin District's Board of Commissioners shall review its water shortage response plan by January 14,2011. 5. Magoffin District shall provide a chronological list of all actions taken since the hearing began on February 10, 2009 to complete the connection with the city of Paintsville. 6. Magoffin District shall file a drought mitigation plan with the Commission no later than January 14, 2011 which: a. Establish
