01/24/13 POST CASE: Kentucky Power's Supplement Response to Item 5 of Second Data Request  
 01/07/13 Order Entered: Kentucky Power is authorized to establish a regulatory asset in the amount of \$12.146 million, based on its costs for storm damages and service restoration due to the four major 2012 storms that affected customers in its service area. 2. As the total actual storm costs become known, Kentucky Power shall adjust the amount of the asset downward if the total is less than \$12.146 million. 3. Kentucky Power shall file the accounting entries it makes to establish and record the regulatory asset authorized herein. Kentucky Power shall file these entries with the Commission no later than January 31, 2013. 4. The amount, if any, of the regulatory asset authorized herein that is to be amortized and recovered in rates shall be determined in Kentucky Power's next rate case based on an examination of its storm preparedness, its storm restoration efforts, reliability improvement efforts and the reasonableness of the costs incurred. 5. Kentucky Power's motion to amend its application is denied.
