UTILITIES:

Duke Energy Kentucky, Inc.

Duke Energy Kentucky, Inc.

INDEX OF EVENTS:

- 12/05/19 Final Order Entered: 1. This case is opened to address certain outstanding petitions for confidential treatment. 2. The petitions for confidential treatment listed in Appendix B to this Order are granted. 3. The granting of these petitions shall not be cited as precedent in other proceedings before the Commission. 4. All movants shall review the petitions to determine if the material for which confidential treatment was requested still warrants confidential treatment. 5. A movant shall inform the Commission in writing, and filed in the original case file, if it determines that the information contained in a petition that is granted by this Order no longer warrants confidential treatment. 6. The Commission shall make available for inspection, upon request, any materials that a movant determines no longer warrants confidential treatment. 7. This case is closed and removed from the Commission's docket.
- 01/24/19 Order Entered: 1. Duke Kentucky's May 31, 2017 petition for confidential protection is granted. 2. The designated materials shall not be placed in the public record or made available for public inspection for 20 years, or until further Orders of this Commission. 3. Use of the designated materials in any Commission proceeding shall be in compliance with 807 KAR 5:001, Section 13(9). 4. Duke Kentucky shall inform the Commission if the designated materials become publicly available or no longer qualify for confidential treatment. 5. If a non-party to this proceeding requests to inspect the designated materials granted confidential treatment by this Order and the period during which the materials have been granted confidential treatment has not expired, Duke Kentucky shall have 30 days from receipt of written notice of the request to demonstrate that the materials still fall within the exclusions from disclosure requirements established in KRS 61.878. If Duke Kentucky is unable to make such demonstration, the requested materials shall be made available for inspection. Otherwise, the Commission shall deny the request for inspection. 6. The Commission shall not make the designated materials available for inspection for 30 days following an Order finding that the materials no longer qualify for confidential treatment in order to allow Duke Kentucky to seek a remedy afforded by law.
- 12/21/17 Final Order Entered: Duke Kentucky's request for a CPCN to construct a ULSD fuel system at its Woodsdale Station is granted.
- 10/04/17 Adele M. Frisch Rocco D'Ascenzo Duke Energy Kentucky, Inc.s request for decision
- 07/28/17 Adele M. Frisch Rocco O. D'Ascenzo Duke Energy Kentucky, Inc.s responses to Staffs first set of data requests
- 07/14/17 Commission Staff's First Request for Information to Duke Energy Kentucky, Inc.
- 06/22/17 Order Entered: 1. The procedural schedule set forth in the Appendix to this Order shall be followed. 2. a. Responses to requests for information in paper medium shall be appropriately bound, tabbed and indexed and shall include the name of the witness responsible for responding to the questions related to the information provided, with the original and six copies in paper medium and an electronic version to the Commission. b. Each response shall be answered under oath or, for representatives of a public or private corporation or a partnership or association or a governmental agency, be accompanied by a signed certification of the preparer or person supervising the preparation of the response on behalf of the entity that the response is true and accurate to the best of that person's knowledge, information, and belief formed after a reasonable inquiry. c. Any party shall make timely amendment to any prior response if it obtains information which indicates that the response was incorrect when made or, though correct when made, is now incorrect in any material respect. d. For any request to which a party fails or refuses to furnish all or part of the requested information, that party shall provide a written explanation of the specific grounds for its failure to completely and precisely respond. e. Careful attention should be given to copied material to ensure that it is legible.
