08/03/15	Final Order Entered: 1. JSEWD's current application for approval of financing is dismissed, without prejudice. 2. JSEWD is granted a CPCN to proceed with the proposed construction of the 750,000-gallon elevated water storage tank as set forth in its Application. 3. JSEWD shall notify the Commission prior to performing any additional construction not expressly authorized by this Order. 4. Any deviation from the construction approved shall be undertaken only with the prior approval of the Commission. 5. JSEWD shall notify the Commission in writing one week prior to the actual start of construction and at the 50 percent completion point. 6. JSEWD shall file with the Commission documentation of the total costs of this project, including the cost of construction and all other capitalized costs, (e.g., engineering, legal, administrative) within 60 days of the date that construction is substantially completed. Construction costs shall be classified into appropriate plant accounts in accordance with the Uniform System of Accounts for water utilities prescribed by the Commission. 7. JSEWD shall file a copy of the "as-built" drawings and a certified statement that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of the substantial completion of the construction certificated herein. 8. JSEWD shall require construction be inspected under general supervision of a licensed professional engineer with KY registration
